

The Care Workers' Charity Annual Writing Competition 2025

The Care Workers Charity Annual Writing Competition, where words become a powerful force for change. In 2025, we proudly mark the 7th year of this inspiring event, inviting you to explore the art of storytelling while supporting a cause close to our hearts.

The Care Workers' Charity Annual Writing Competition is a platform for care workers, and storytellers to weave tales that resonate with the theme of compassion, resilience, and the human spirit. Over the past six years, we have witnessed the incredible depth of talent within the care community, and this year promises to be no exception.

The theme for the 2025 competition is **The Future of Social Care**. Whether you're a seasoned writer or just discovering the power of your words, this is your opportunity to contribute to a narrative that celebrates care workers and their amazing work in our society.

Let your creativity flow!

First Prize of £200, sponsored by Access
Second Prize of £100, sponsored by Nourish
3rd Prize of £50, sponsored by Chew PR
The top 3 entries will be publicised in The CWC Circular,
on our website and on our social media channels. Also the
top 30 contributions will be published!
